What is BlinkSkills?

BlinkSkills (Career Pathways) is a transformative career readiness initiative by Devotics Foundation. It empowers engineering and polytechnic students with industry-relevant skills, hands-on training, mentorship, and certification — completely free of cost — bridging the critical gap between academic learning and workplace readiness across Bihar.

2 Program Overview

The Skills Gap Problem

Employable engineering graduates	Only 25%
Lack industry-relevant skills	80%
Remain unemployed after graduation	40%
Bihar/UP graduates — additional challenges	High

BlinkSkills Solution

- ✓ Industry Professional Mentorship
- ✓ Hands-on Training & Practical Projects
- ✓ 2-Week Intensive Training Modules
- ✓ Resume Building & Interview Preparation
- ✓ Certificate of Completion (Lifetime)
- ✓ 100% Free for All Students
- ✓ Career Placement Assistance

OVERALL

A first-generation engineering student from a small village in Sheohar. Designed a home automation system as his final project and secured an internship at an embedded systems firm.

"BlinkSkills gave me practical confidence I couldn't get in college. Now I can design real embedded systems. This program changed my life."

OVERALL

Built 3 AI projects and started an AI club at his college. Selected for an AI/ML internship after completing the program. Went from zero practical AI experience to building classification models from scratch.

"BlinkSkills demystified AI for me. I can now build machine learning models from scratch. The practical approach made all the difference."

Raunak Kumar Jha

Gender Equality

11 Future Scaling Vision

● Year 2 Roadmap (2026–2027)

Phase 1 — Months 1–4

10+ new partner colleges · 500+ new beneficiaries · 5 new skill tracks · Industry partnerships

Phase 2 — Months 5–8

8 new districts · Advanced AI/ML modules · Corporate mentorship · Placement guarantee

Phase 3 — Months 9–12

1,500+ total beneficiaries · 50+ colleges · Alumni network · Industry connect program

● Sustainability Model

Revenue Streams

Year 2 Budget Required: ₹50 Lakhs

12 Conclusion & Call to Action

WITH SUPPORT, WE CAN

- ✓ Scale to **1,500+** students across Bihar
- ✓ Add **5 new** advanced skill tracks
- ✓ Establish **50+** college partnerships
- ✓ Create **500+** job placements
- ✓ Build a sustainable alumni & mentor network
